FREQUENTLY ASKED QUESTIONS ABOUT SERVICE

WE COUNT PROJECTS, NOT HOURS

The Archdiocese of Galveston-Houston does not require a certain number of hours, but rather a certain number of projects.

Students can have any combination of types of service projects as long as **at least one each year is an ongoing project.**

Students may choose any type of project, as long as they fulfill the requirements set forth by the project supervisor.

HOW MANY PROJECTS DO WE NEED?

8th Grade

3 total projects

At least 1 project must be an ongoing project.

CONFIRMATION I

4 total projects

At least 1 project must be an ongoing project.

CONFIRMATION II

5 total projects

At least 1 project must be an ongoing project.

WHAT IS SERVICE?

Service is something we do by sharing our love of Jesus Christ with others who may or may not be as fortunate as we are. We serve as a reflection of the love and blessings we have received from God and our families. It is your opportunity to show that we believe in Jesus and what He taught us by our actions and deeds.

WHAT COUNTS AS SERVICE?

- Something you do for others in which you do not get paid or are otherwise compensated (receive a grade, reduction in dues, etc.)
- Projects do not have to be done at Christ the Redeemer.
- We take the service you do for things like NHS or Key Club!
- **Ongoing Service Project:** a project that requires a greater commitment over a longer period of time. Each project is different, so the time commitment will vary.
- **Occasional Service Project:** something you do once for at least two hours.
- **Examples of Ongoing Projects:** involvement in mass (greeter, server, etc.), Religious Education helper, sponsor or mentor for the Rite of Christian Initiation for Teens (RCIT), Vacation Bible School.
- **Examples of Occasional Projects:** volunteering at the Spring Festival, visiting an assisted living facility, tutoring, babysitting, cutting grass.
- Babysitting, chores and other things done for your own family do NOT count as service.
- Students may do the same service project each year, but not the same project within the year. For example students can volunteer at VBS for an ongoing project for each of the 3 years. Students should not volunteer at a camp for 4 straight days and use those as 4 occasional projects within the same year.

Dress Code

Since we are a Catholic Church, we ask students to dress modestly in order to provide a less distracting atmosphere for prayer and discussion. Not all public schools have the same dress code so here is ours in pictures. When in doubt, wear something else. We respect the right to ask students to change either at youth group or on trips.

Please wear shorts of appropriate length: When you place your arms down at your side, your middle finger should still be touching shorts.
