What is it?

- An organization of adults who help support CtR's youth ministry program
- An opportunity...
 - to share in the faith journey of your teens and their classmates

 - to volunteer at CTR and make a difference

Who do we need?

- We need parents of 6th –12th graders at CtR to get VIRTUS trained and get involved!
- Any other adults interested in being involved with youth ministry activities

What is the mission of Parent CORPS?

- To motivate, organize, and energize the parents of the junior high and high school youth to serve with youth ministry activities
- To support our youth ministry program in continuing to bring the light of the Gospel to our youth

What we plan to do?

- Communicate the opportunities for service with our youth
- Build a community of parents to support our youth
- Establish clear guidelines for chaperones
- Inform members about VIRTUS training opportunities:
